

360 surveys, usage, 161

A

Ability, awareness, attitudes (work environment aspects), 184
Accountability (cultural value support), 80
Active communication, usage, 104–105
Adaptability, technology/culture (relationship), 79–81
Affiliation, need, 43
Ageism, 30
Agile entrepreneurial company, actions (meaning), 58–61
Agile methodology, 71
Agile organizations (creation), automation/augmentation (usage), 61–65
Applicant evaluation, need, 121
Applicant tracking systems (ATS), 76
Artificial intelligence (AI), usage, 24, 76, 224
Autonomy (cultural value support), 80

B

Belonging, 146
 sense, organizational design (usage), 98–99
Belongingness, 43

Biometrics, usage, 75
Birth rates, decline (impact), 31
Breakaway performance, 255–256
Business
 decisions (guiding), employee data (usage), 10, 197
 function, company staffing, 180
 goals, requirements, 220
 operations data, employee data (relationship), 211f
 operations technology, work technology (linking), 77–79
 performance, 44–45
Business-driven development
 goals, 134–135
Business outcomes
 achievement, 88
 employee experience, impact, 45
 work technology, linking, 77f

C

Candidates, 11
 engagement, 119
 location, 115
 positions, matching, 126
 selection/fit, 119–121
Capabilities, development, 9, 131, 178, 217
 goals (defining), employee assistance, 138–143

- Capabilities (building), employee resource access (content), 143–145
- Careers
 complexity, increase, 31–33
 interest, 116–117
 ladder, 60
 opportunities, marketing, 125–126
 paths, creation, 111, 115–117
- Careers, advancement, 138
 capabilities, development, 141–143
 opportunities, providing, 95
- Change
 job worsening, frontline employee fear, 229
 openness (cultural value support), 80
 pace, acceleration, 20–21, 42
 resource waste, leader fear, 226–227
 urgency/openness, 58–59
- Chatbots, usage, 76
- Chief human resource officer (CHRO), role, 219–220
- Coaching, 159
- Collaboration spaces, 72
- Collective sense of purpose, 58
- Commitment, feelings (impact), 94
- Communities
 creation, 62–63
 performance levels, maintenance, 62–63
 well-being, valuation, 188–194
- Commuting, impact, 193
- Company
 brand, employment (desire), 117
 challenges, 217–218
 insights, value, 120
 performance, people (impact), 60
 security/compliance risk, 64
 time, saving, 64–65
Company Town, The (Green), 241
- Compensation, 151
 employee experience perspective, 171f
 lowering, logic, 173–174
 performance, relationship, 168–174
 process, company design, 180
 solutions, 57
- Compensation/payroll/benefits management, 69
- Compliance, ensuring, 218
- Compliance/security, ensuring, 9, 177
- Content (employee resource access), 143–145
- Context (jobs design), 133–137
- Context, capabilities, content, culture (employee experience elements), 133
- Contractor
 hiring, 123–124
 management, 69
