| 2.1.3 Due Diligence Phase   |  | 12          |
| 2.1.4 Negotiation Phase   |  | 13          |
| 2.2 Question 1: Which Factors Influence the M&A Process and the Transaction Price Paid?                   |  | 14          |
| 2.2.1 The Seller – Disposal Motives   |  | 14          |
| 2.2.2 The Bidder – Acquisition Motives  |  | 16          |
| 2.2.3 Competition   |  | 16          |
| 2.2.4 Transaction Charges   |  | 18          |
| 2.2.5 Trust   |  | 18          |
| 2.3 Question 2: Which Factors May Play an Additional Role when the Target is an Independent Private Firm? |  | 20          |
| 2.4 Question 3: How Can the Influence Factors be Analyzed – Setting the Model                             |  | 24          |
| 2.4.1 Methodology   |  | 25          |
| 2.4.2 Data Set  |  | 29          |

|            |   |           |
|------------|---|-----------|
| 2.5        | Study Results   | 29        |
| 2.5.1      | The Seller – Disposal Motives   | 32        |
| 2.5.2      | The Bidder – Acquisition Motives  | 35        |
| 2.5.3      | Competition   | 36        |
| 2.5.4      | Transaction Charges   | 38        |
| 2.5.5      | Trust in the Respective Counterparts  | 40        |
| 2.5.6      | Study Results – Summary of Findings   | 45        |
| 2.6        | Study Assessment  | 47        |
| 2.6.1      | Limitations of the Study  | 48        |
| 2.7        | Relationship Between the Study, Valuation Concepts and the Control Premium Discussion                         | 49        |
| Appendix A | Measurement of Factors  | 50        |
| I          | Measurement of Selling Pressure   | 52        |
| II         | Measurement of Synergies  | 52        |
| III        | Measurement of Competition  | 53        |
| IV         | Measurement of Bidders' Transaction Charges   | 57        |
| V          | Measurement of Trust  | 60        |
| <b>3</b>   | <b>Valuing Private Companies – the PCD</b>  | <b>67</b> |
| 3.1        | Liquidity vs. Marketability   | 67        |
| 3.2        | Overview of Discounts and Premiums  | 68        |
| 3.3        | Is a Discount for the Lack of Liquidity for a Controlling Ownership Interests Necessary?                      | 69        |
| 3.4        | Discounts in Praxis   | 70        |
| 3.5        | DLL for Minority Interests  | 71        |
| 3.5.1      | Cross-Sectional Differences   | 71        |
| 3.5.2      | Controlled Differences  | 72        |
| 3.5.3      | Restricted Stock Studies  | 72        |
| 3.5.4      | Initial Public Offerings (IPOs)   | 74        |
| 3.5.5      | Can Empirical Evidence for Minority Stakes be Used for a Controlling Ownership Interest in a Private Company? | 76        |
| 3.6        | The DLL for Control Ownership Situations and the PCD  | 77        |
| 3.6.1      | Acquisition Approach  | 77        |
| 3.6.2      | Which Factors Influence the Measurement of the PCD?   | 82        |
| 3.6.3      | Determining the Appropriate Discounts with the Acquisition Approach: Study Selection and Assessment           | 91        |
| 3.6.4      | Discount for the Lack of Marketability – Summary of Study Results   | 95        |
| 3.7        | Understanding the Standards of Value  | 97        |
| 3.8        | Understanding the Methodologies   | 102       |
| 3.8.1      | Summary   | 105       |
| 3.9        | Application Problems Resulting from Systematic Difference Between Market Environments and Company Classes     | 108       |
| 3.9.1      | Economic Market Environment   | 108       |
| 3.9.2      | Market Environment – Time   | 109       |
| 3.9.3      | Firm Characteristics  | 112       |

---

|                   |  |            |
|-------------------|--|------------|
| 3.10              | Development of the Market Environment  | 115        |
| 3.11              | PCD Study  | 120        |
| 3.11.1            | Short Note on Methodology  | 120        |
| 3.11.2            | The Data Sets  | 122        |
| 3.11.3            | Results  | 123        |
| 3.12              | Summary of Findings  | 144        |
| 3.12.1            | General Recommendations for the Application of a PCD or DLL                  | 146        |
| 3.12.2            | How to Use the Study Results in this Book                                    | 146        |
| 3.12.3            | Empirical Results Summary – Germany  | 147        |
| 3.12.4            | Empirical Results Summary – North America                                    | 149        |
| 3.12.5            | Empirical Results Summary – Western Europe                                   | 149        |
| 3.12.6            | Empirical Results Summary – UK   | 150        |
| 3.13              | Conducting a PCD Study   | 151        |
| 3.13.1            | How to Proceed?  | 152        |
| 3.13.2            | Which Multiples to Choose  | 152        |
| 3.13.3            | Matching the Multiples – Computing the Discounts                             | 153        |
| 3.13.4            | Detecting Patterns – Data Clustering   | 154        |
| 3.13.5            | Cross-Sectional Regression   | 160        |
| 3.13.6            | Databases and Data Collection  | 164        |
| 3.13.7            | Outlier Treatment  | 166        |
| 3.13.8            | Measurement of Variables   | 166        |
| Appendix B        | The PCD and the Relative Valuation Methodology                               | 167        |
| Appendix C        | How Different is the Mittelstand Compared to Dependent Private German Firms? | 171        |
| <b>References</b> |  | <b>173</b> |
| <b>Databases</b>  |  | <b>175</b> |
| <b>Glossary</b>   |  | <b>177</b> |
| <b>Index</b>      |  | <b>179</b> |
