- What is corporate social responsibility? 86
- Organizations who care 88
- Shared value 89
- The emergence of the 'social enterprise' 91

## **15 Bullying in the workplace 95**

- Bullying: nature or nurture? The neural perspective 95
- Reforming the bully 98

Coaching the accidental bully 99  
How to cope with being bullied 100

## **16 Resilience in leadership 103**

What is resilience? 103  
Resilience in leaders 104  
What makes a resilient organization? 105  
Developing resilience 106

## **17 Coaching supervision: a workplace perspective 108**

Differences between traditional and coaching supervision 108  
Supervision in therapy 109  
Coaching supervision in the workplace 110  
What to do in a coaching supervision session 113  
Types and frequency of supervision 115  
Credentials of the coaching supervisor 116

## **18 ROI: Measuring the return on investment in coaching 117**

Planning 118  
How to get quantifiable results from surveys 119  
Leveraging feedback 121  
Leveraging research 122  
Measuring the value of coaching at OFGEM 122  
Conclusion 126

## **PART THREE Skills for coaches and managers 127**

Introduction 127

## **19 Listening 129**

The five levels of listening 129  
The power of listening 131  
Non-verbal signals 132

**20 Reflecting, summarizing and clarifying 134**Reflecting 135Summarizing 135Clarifying 136Benefits 136**21 Questioning 138**Open and closed questions 139Beware of judgemental questions 139Beware of leading questions 140Beware of multiple questions 142The significance of silence 142**22 Permission protocol 144**Permission as a tool 144Permission protocol 145When is permission not permission? 147Permission and the need for control 147**23 The GROW coaching model 149**The history of GROW 149Practical application 150Flexibility of GROW 154**24 The EXACT model: a coaching approach to goal setting 155**The EXACT goal-setting model 155Comparison between EXACT and SMART goals 156How to set a goal 158Goal setting with teams 161Conclusion 162**25 Coaching feedback 163**Why feedback models don't work 163Eliciting self-feedback 164

Relationship to the GROW model 165

General feedback guidelines 169

## **26 The structure of coaching 173**

The coaching contract 173

Structure of a coaching session 174

Structure for a series of coaching sessions 175

## **27 Setting and reviewing actions 178**

Exploring the 'Will' part of GROW 178

Setting actions 178

Reviewing actions 181

## **PART FOUR Tools of the trade: continuing professional development 185**

---

Introduction 185

## **28 David Grove's Clean Language 187**

History and principles of Clean Language 187

Metaphor 188

Traumatic memory 189

Clean Language questions 190

Reflecting words back 191

Clean conversations 193

Clean Language in coaching 194

Clean Language at the BBC 197

Grovian techniques in industry 198

Research into Clean Language 200

## **29 David Grove's Emergent Knowledge 201**

Clean Space 202

Principles of Emergent Knowledge 203

Science of Emergence 204

Small world networks 205

Emergent Knowledge processes 206

- Clean Language and Emergent Knowledge for BBC  
internal coaches 209
- Emergent Knowledge in one-to-one coaching 213

### **30 Transpersonal Coaching 216**

- Origins of transpersonal psychology 216
- Sub-personalities 216
- Transcript of a coaching session by  
Sir John Whitmore 217
- Commentary by Sir John Whitmore 225

### **31 An introduction to neuro-linguistic programming 228**

- The origins of NLP 228
- NLP processes 229
- NLP at work 239
- Conclusion 240

### **32 Systemic Coaching 241**

- Systems in families, teams and communities 241
- Knock-on effect of change 241
- Repetition of childhood behaviour 242
- Coaching the organisation 243
- Systems theory, cybernetics, family systems theory, complexity  
theory and chaos theory 244
- Systemic Coaching in the public sector 244

### **33 Transactional Analysis and the OK Corral 248**

- Social transactions 248
- The states of parent, child and adult 248
- Changing behaviour 249
- Franklyn Ernst's OK Corral 250

### **34 360-degree feedback 253**

- The process 253
- Pitfalls 255
- Coaching the results 255
- Alternatives 257

- 35 The Reuven Bar-On Emotional Quotient inventory (BarOn EQ-i) 258**  
History 258  
The five elements 259  
Validity safeguards 259  
Emotional intelligence in the IT department 261
- 36 Thomas-Kilmann Conflict Mode Instrument 264**  
Dealing with conflict 264  
Using the TKI 266  
Pitfalls of using the TKI 267  
The conflict continuum 268  
The TKI at work 269
- 37 Marshall Rosenberg's 'Non-Violent Communication' 272**  
Exploring conflict 272  
Finding the compromise 273
- 38 Situational Leadership 275**  
Origination by Blanchard and Hersey: the original quadrants 275  
Blanchard's revised quadrants 276  
Delivering all types of leadership in a coaching style 277  
Situational Leadership and Japanese hierarchy 278
- 39 Kouzes and Posner: The Leadership Challenge 282**  
Development by Kouzes and Posner 282  
The five elements 283
- 40 Cultural Transformation Tools 286**  
Origination by Richard Barratt 286  
The Seven Levels of Consciousness 286  
Identifying values 287  
Building a values-driven organization in IT services 291

**41 The Inner Game 294**

Timothy Gallwey's background 294

The inner opponent 294

The Work Triangle 296

Non-judgemental awareness 297

Self-directed learning 297

The Inner Game in team building 298

**42 Nancy Kline's Thinking Environment 302**

Origins of the Thinking Environment 302

The 10 components of a Thinking  
Environment 303

The Thinking Session 304

The Incisive Question 305

The power of listening 306

The Thinking Partnership in action 307

**43 Appreciative Inquiry 310**

Origins of Appreciative Inquiry 310

The four stages of Discovery, Dream, Design and  
Destiny 311

Appreciative Inquiry in the United Arab Emirates 314

**44 Mindfulness 318**

History of mindfulness 318

Relaxation exercises 319

Mindfulness in yoga and other practices 319

Mindfulness in conflict 320

Mindfulness questions 320

Mindfulness at work 321

**45 Elizabeth Kubler Ross's Change Curve six stage model 325**

The six stages of the Change Curve 325

- 46 Bruce Tuckman's 'forming, storming, norming and performing' team development model 327**  
The four elements of team development 327  
Addition of 'adjourning' 328  
Additions of 'mourning' and 'dorming' 328  
Recommendations for teams and team leaders 329
- 47 The Myers-Briggs Type Indicator (MBTI®) 332**  
Jung's archetypes 332  
Development by Isabel Myers and Katherine Briggs 333  
The 16 personality types 333  
The difference between extraversion and introversion 334  
MBTI in team development 336
- 48 The Enneagram 338**  
Ancient history 338  
The nine types 338  
Differentiating core values from personality traits 339  
Manifestation of types 341
- 49 Kolb's learning styles 342**  
Background 342  
The learning styles quadrants 342  
The four preferences 343  
Learning styles at work 344
- 50 DISC 347**  
The four types 347  
William Moulton Marston's instigation of behavioural science 347  
Comparison with Jung's archetypes and MBTI personality types 349  
DISC in team building 350
- 51 Johari Window 354**  
Development by Joseph Luft and Harry Ingham 354  
The four quadrants 355

Dangers of public feedback 355  
Team development with the Johari Window 358

**52 More team role models 363**

Belbin's Team Role Inventory 363  
FIRO-B (Fundamental Interpersonal Relations Orientation) 364  
Nigel Risner's animal types 364  
Conclusion about team models 365  
The case against learning styles 366

Conclusion 369
