Also we thank again the Hon Robert Brooking QC, formerly of the Court of Appeal of the Victorian Supreme Court, for agreeing to write the foreword to Damien Cremean's third edition, published in 1995. The work was his originally, of course. We also must thank Mr David Bennett QC who prepared the second edition of this work.

Mention must be made as well of various LexisNexis Butterworths personnel including Hayley Moore and Eleanor O'Connor, and Philippa Findlay of Puddingburn Publishing Services. Thanks are due to each of them.
