Nothing contained in this book is to be considered as the rendering of legal advice for specific cases, and readers are responsible for obtaining such advice from their own legal counsel. This book and any forms and agreements herein are intended for educational and informational purposes only.

The products and services mentioned in this publication are under trademark or service-mark protection. Product and service names and terms are used throughout only in an editorial fashion, to the benefit of the product manufacturer or service provider, with no intention of infringement. Use of a product or service name or term in this publication should not be regarded as affecting the validity of any trademark or service mark.

The Law Practice Division of the American Bar Association offers an educational program for lawyers in practice. Books and other materials are published in furtherance of that program. Authors and editors of publications may express their own legal interpretations and opinions, which are not necessarily those of either the American Bar Association or the Law Practice Division unless adopted pursuant to the bylaws of the Association. The opinions expressed do not reflect in any way a position of the Division or the American Bar Association, nor do the positions of the Division or the American Bar Association necessarily reflect the opinions of the author.
