

# Environmental Law in Hong Kong

THIRD EDITION

ANTON COORAY

Derived from the renowned multi-volume *International Encyclopaedia of Laws*, this book provides ready access to legislation and practice concerning the environment in Hong Kong. A general introduction covers geographic considerations, political, social and cultural aspects of environmental study, the sources and principles of environmental law, environmental legislation, and the role of public authorities.

The main body of the book deals first with laws aimed directly at protecting the environment from pollution in specific areas such as air, water, waste, soil, noise, and radiation. Then, a section on nature and conservation management covers protection of natural and cultural resources such as monuments, landscapes, parks and reserves, wildlife, agriculture, forests, fish, subsoil, and minerals. Further treatment includes the application of zoning and land-use planning, rules on liability, and administrative and judicial remedies to environmental issues. There is also an analysis of the impact of international and regional legislation and treaties on environmental regulation.

Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable resource for environmental lawyers handling cases affecting Hong Kong. Academics and researchers, as well as business investors and the various international organizations in the field, will welcome this very useful guide, and will appreciate its value in the study of comparative environmental law and policy.

## The Author

Professor Anton Cooray, LLB, PhD (London), PhD (Sri Lanka), Professor of Law at City, University of London, and Senior Associate Research Fellow of the Institute of Advanced Legal Studies, University of London, was formerly Professor of Law at City University of Hong Kong, where he was Head of the Department of Law and Associate Dean of Law.

Professor Cooray specializes in public law and planning law. He was a member of Hong Kong Town Planning Board from 1996 to 2004 and Chairman of Town Planning Appeal Board and Deputy Chairman of Town Planning Appeal Board panel (2004–2012). He is the author of *Halsbury's Laws of Hong Kong* titles on *Town Planning* (6th reissue 2018), *The Environment* (5th reissue, 2020), *Constitutional Law* (5th reissue, 2019) and *Constitutional Law in Hong Kong* (3rd ed., 2019: Kluwer International). He is the editor of the *Journal of International and Comparative Law* (Sweet and Maxwell).

## Table of Contents

|   |    |
|---|----|
| The Author  | 3  |
| List of Abbreviations   | 19 |
| General Introduction  | 21 |
| §1. GEOGRAPHY AND POPULATION  | 21 |
| I. Geography  | 21 |
| II. Population  | 21 |
| §2. LEGAL AND POLITICAL STRUCTURE   | 22 |
| I. The Relationship Between the Chinese Central Authorities and Hong Kong | 24 |
| II. Hong Kong's System of Government: The Executive Branch                | 26 |

| VI. The Advisory Council on the Environment                               | 55 |

## Table of Contents

|   |    |
|---|----|
| Chapter 1. Air Pollution Control Ordinance                      | 57 |
| §1. INTRODUCTION  | 57 |
| I. Reducing Emissions from Vehicles                             | 57 |
| II. Reducing Emissions from Industrial Sources and Power Plants | 58 |
| III. Tackling Regional Air Pollution                            | 59 |
| §2. LEGISLATIVE FRAMEWORK                                       | 59 |
| §3. AIR POLLUTION CONTROL ORDINANCE                             | 60 |
| I. Regulations  | 61 |
| II. Technical Memoranda   | 61 |
| III. Codes of Practice  | 62 |
| IV. Practice Notes  | 63 |
| §4. THE APPLICATION OF THE AIR POLLUTION CONTROL ORDINANCE      | 63 |
| I. The Impact of the Ordinance on the Government                | 63 |
| II. Key Personnel   | 64 |
| A. The Chief Executive of Hong Kong SAR                         | 64 |
| B. The Chief Secretary for Administration                       | 65 |
| C. The Secretary in Charge of the Subject of Environment        | 65 |
| D. The Authority  | 66 |
| E. Appeal Board   | 66 |
| §5. ESTABLISHING AND MAINTAINING AIR QUALITY OBJECTIVES         | 67 |
| §6. AIR POLLUTION ABATEMENT NOTICE                              | 68 |
| I. Serving Abatement Notices                                    | 69 |
| II. What Is an Abatement Notice Aimed At?                       | 71 |
| III. Contents of an Abatement Notice                            | 72 |
| IV. Determining the Impact on Air Quality                       | 73 |
| V. The Life Span of an Abatement Notice                         | 73 |
| VI. Appeals Against Abatement Notices                           | 73 |
| §7. CONTROLLING SPECIFIED PROCESSES THROUGH LICENSING           | 74 |
| I. Exempting Specified Processes                                | 75 |
| II. Licensing Specified Processes                               | 76 |
| A. Making an Application  | 76 |
| B. Public Consultation  | 76 |
| C. Grant of Licences  | 77 |
| D. Life Span of a Licence                                       | 77 |
| E. Renewal of a Licence   | 78 |
| F. Variation of a Licence                                       | 78 |
| G. Cancellation or Variation of a Licence                       | 78 |
| H. Transfer of a Licence  | 78 |
| I. Compensation for Licensing Decisions                         | 78 |

## Table of Contents

|  |    |
|--|----|
| K. Contravention of a Licence  | 80 |
| §8. OTHER SPECIFIC MEASURES TO PROTECT AIR QUALITY IN HONG KONG                      | 80 |
| I. Control of Emission of Dust, Grit and Smoke                                       | 81 |
| A. Emissions as Offences   | 81 |
| B. Prohibition of the Use of Certain Fuels   | 81 |
| C. Controlling Dark Smoke  | 82 |
| D. Controlling Smoke Emissions   | 82 |
| E. Control of Construction Dust  | 84 |
| F. The Nature of the Offences  | 84 |
| G. Open Burning  | 85 |
| §9. CONTROL OF MOTOR VEHICLE EMISSIONS   | 85 |
| I. Legislative Framework   | 86 |
| A. Regulations Made under the Air Pollution Control Ordinance                        | 86 |
| 1. The Air Pollution Control (Vehicle Design Standards) (Emission) Regulations       | 88 |
| 2. The Air Pollution Control (Motor Vehicle Fuel) Regulation                         | 88 |
| B. Regulations Made under the Road Traffic Ordinance                                 | 89 |
| §10. CONTROL OF HARMFUL EFFECTS OF ASBESTOS  | 90 |
| I. Legislative Framework   | 90 |
| II. Prohibition of Importation or Sale of Asbestos                                   | 90 |
| III. Regulation of Asbestos-Related Activities                                       | 91 |
| IV. Registration of Persons and Institutions Who May Carry Out Asbestos-Related Work | 91 |
| V. Advisory Role of the Asbestos Administration Committee                            | 92 |
| VI. Investigation of Premises for Asbestos-Containing Material                       | 93 |
| A. Carrying Out an Investigation   | 94 |
| B. Asbestos Management Plan  | 94 |
| C. Asbestos Abatement Plan   | 95 |
| D. Asbestos Abatement Work   | 95 |
| 1. Asbestos-Related Work Must Be Supervised by a Registered Asbestos Consultant      | 95 |
| 2. Asbestos-Related Work Must Be Carried Out by a Registered Asbestos Contractor     | 96 |
| 3. Engagement of a Registered Asbestos Laboratory                                    | 96 |
| 4. Compliance with Requirements Relating to Asbestos-Related Work                    | 96 |
| E. Asbestos Abatement Notice   | 98 |
| 1. Issuing an Abatement Notice   | 98 |
| 2. What the Notice May Require to Do   | 98 |
| VII. Protecting Workers from Harmful Exposure to Asbestos                            | 99 |

## Table of Contents

|   |     |
|---|-----|
| 2. Duty to Keep the Work Place Clean  | 100 |
| 3. Duty to Provide Protective Equipment                                       | 100 |
| 4. Duty to Take Preventive Measures   | 100 |
| 5. Duty to Provide Medical Surveillance                                       | 101 |
| 6. Prohibition Against Certain Uses of Asbestos                               | 101 |
