

# Table of contents

## **Part 1: Examine**

Introduction: what has *Donoghue v Stevenson* got to do with innovation?

1. A faster horse or the moon on a stick?
2. Getting started – big picture
3. Getting started – proof of concepts and methodologies

## **Part 2: Explore**

4. Skills, team and bringing others with you – recruiting your ‘pirates in the navy’
5. When it works – lessons learnt
6. Change management

## **Part 3: Develop**

7. So, you want me to collaborate?!
8. When things go wrong – bouncing back from lessons learnt
9. If you build it, who is coming?

## **Part 4: Reflect**

10. Barriers
11. Politics – JFDI (maybe using fairy dust?)
12. The next shiny thing ... looking forward
